### Members' Representations

†Sri S. SIVAPPA (Sravanabelagola).—Sir, before proceeding to the next item, I wish to remind that the Hon'ble Chief Minister was pleased to announce in this House that the S.S.L.C. examinations would be held once again. Till now the final dates have not been announced, so much so, it has created great hardship and agony in the minds of the students. They are just wandering in the streets. Government has not issued instructions to the various schools to hold classes and give tuition for the students. Government have not told us the preparations they are making in this regard and the whole thing is in a state of flux.

2-00 P.M.

†Sri S. R. KANTHI (Minister for Education).—The hole question is under the consideration of Government. Government have now some idea of these things. But we have not finalised anything and it is not possible for me to disclose the whole scheme before the House. I will take some more time and will disclose the whole thing to the House. It will take about a week. It is not an easy problem. All the question papers have to be set, which takes time. They will have to be printed. Then they will have to be transported to the various centres. Today, what I learn is that the Government Printing Press is not in a position to print the whole thing within a period of one month. They want 1½ months or so. All these matters are under consideration.

Sri S. SIVAPPA.—I want to know whether the examinations are going to be held at all. The Chief Minister then promised that they would be held within 25 days. Now according to the Education Minister, in all probability the papers would not be printed for another 1½ months.
